

Where the Notes Fall on the Fretboard

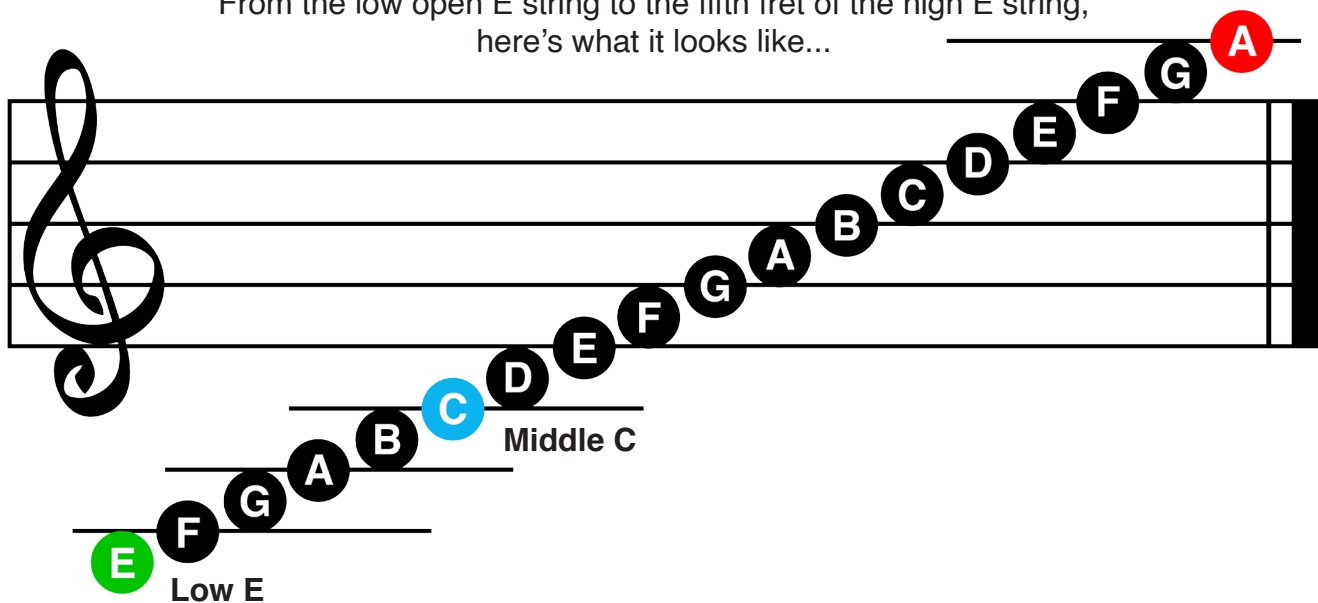

The “line” notes (EGBDF) appear on the musical staff as shown below:

The “space” notes (FACE) look like this on the musical staff...

From the low open E string to the fifth fret of the high E string, here's what it looks like...

A 6x6 grid world environment. The top row contains objects: E (green), A (black), D (black), G (black), B (black), and E (black). The second row contains: F (black), an empty space, an empty space, an empty space, C (black), and F (black). The third row contains: an empty space, B (black), E (black), A (black), an empty space, and an empty space. The fourth row contains: G (black), C (blue), F (black), a black dot obstacle, D (black), and G (black). The fifth row contains: an empty space, an empty space, an empty space, an empty space, an empty space, and an empty space. The bottom row contains: an empty space, an empty space, a black dot obstacle, an empty space, an empty space, and A (red).
